get published

Publication in the *Journal for Vascular Ultrasound* is one of the best ways to raise your professional profile. Publish your research or co-author an article with your technologist to raise their profile!

connect

There are over 6,400 peers to share knowledge and develop your professional network with online and in person.

get hired

Find your next professional opportunity in our online Career Center.

EXPAND YOUR KNOWLEDGE

free journal

Journal for Vascular Ultrasound delivers original scientific articles, the latest research, profound case studies, and new techniques, to continually expand your knowledge base and technical proficiency. (\$660 value)

free webinars

Our free bi-monthly webinars cover timely issues for vascular professionals. (\$300 value)

network

Our Annual Conference and Regional Meetings offer opportunities to earn CME while interacting with top experts.

research opportunities

Be alert for announcements of our vascular ultrasound registry and research grant opportunities, as well as JVU special issues on select topics.

SUPPORT YOUR FIELD

advocacy

SVU is the united voice of our profession. Part of your member dues support lobbying Congress, government agencies, and state regulators to ensure fair treatment of the vascular lab and sensible regulations that do not adversely impact patient care.

get involved

Create the future of your profession and the Society by joining one of over a dozen committees where you can not only make great connections, you can have a huge impact.

support your team

SVU membership gives you detailed insight into the work of your vascular lab, and shows your support for the sonography team you rely on for advanced imaging and accurate diagnoses.

JOIN TODAY!
